ABOUT THE GRAPE STOMP

As the name says, this is a competitive grape stomp! We will have two vats of freshly picked grapes, and teams of three will compete to produce the most juice with their bare feet. Like in the old days, each contestant (one at a time) will remove their shoes and socks and stomp the grapes to produce the juice. There will be a foot washing station for use at the completion. Bring your own towels.

HOW IT WORKS

Teams of three contestants will compete against other teams, each team will have 10 minutes to stomp grapes to produce the most juice. Team contestants will climb into their vat and begin crushing, with only (one) contestant allowed in the vat at any given time. The team will then alternate contestants during the allotted 10 minutes. The team contestants not in the vat will collect the juice for measurement. After all the teams have competed, the team that produces the most juice will be declared the winner. The overall winning team will be awarded a check for \$300.00 to be distributed to the non-profit organization of their choice. Other teams will be eligible for prizes based on enthusiasm, crowd pleaser, etc.

HOW TO REGISTER

Step 1: Organize a team of three (each team must have a team captain), and determine the non-profit you will be supporting.

Step 2: Complete the team registration form and submit it along with the \$ 150.00 Team Registration Fee as soon as possible.
